

## **NOTICE – CENTRAL POLE WILL BE IN THE RM**

Central Pole is a power pole inspection and maintenance company that does contract work on behalf of SaskPower. They will be in the RM beginning May 11th, for 9 weeks. During this time, they will be inspecting power poles identified through SaskPower's wood pole maintenance program. They will be driving white service body trucks and side by sides identifiable by their name "Central Pole" and their company phone number. Their employees will be wearing all hi-vis clothing and making reasonable attempt to contact landowners to obtain permission to gain access to these power poles. Landowners that they are unable to contact, will be left a door knocker with information about what they do regarding the wood pole maintenance program.

If you have any questions or concerns, please feel free to contact the RM office at 306-573-2047 or [rm255@sasktel.net](mailto:rm255@sasktel.net).
